Mondays

Animal Excursion, 10:00-11:00am, Nature Center.

What other animals live on Salisbury Beach besides sea creatures? Join the Park Interpreter for a closer look at what else calls this beach home. Come check out some skulls and furs. For all ages.

Tuesdays

Ahoy, A Shipwreck!, 1:00-2:00pm, Nature Center.

Did you know that there were a lot of shipwrecks off the coast of Salisbury Beach? Come take a step back in time and we'll discover where the ship wrecks occurred, what caused the ships to wreck, and who rescued the crews! For all ages. Families welcome!

Wednesdays

Kiddleidescope, 10:00-11:00am, Nature Center.

Bring your kids and join the Park Interpreter for a fun story and a simple craft. For ages 3-6. Coloring will be available for younger kids.

Wednesdays

Sandyland, 2:00-3:00pm, State Park.

Join the Park Interpreter for a closer look at what makes up the sand on Salisbury Beach! Did you know that some of the sand is magnetic? We'll even have a microscope to look at the grains up close! Lightning or rain will cancel. For all ages. Families welcome!

Thursdays

Night Hike, 8:00-9:00pm, Nature Center.

Join the Park Interpreter for an evening stroll along the beach! We'll listen to the sounds of the sea and learn about what else likes to be on the beach at night. Lightning or rain will cancel.

Fridays

Scavenger Hunt, 2:00-3:30pm, State Park.

Join the Park Interpreter for a fun scavenger hunt along the beach! Use a list of clues to discover all sorts of critters that live on the beach. Can you find them all? Appropriate for all ages. Families welcome! Lightning or rain will cancel.

Saturdays

Animal Excursion, 10:00-11:00am, Nature Center

What other animals live on Salisbury Beach besides sea creatures? Join the Park Interpreter for a closer look at what else calls this beach home. Come check out some skulls and furs. For all ages.
